Sindy-Ann Quaker

It is important to also thank the outgoing Members of the Committee, Rean Strydom (Club President), Frans Barrie (Club Vice-President), Derek McGowan (Club Captain) and Johan Aucamp (Club Vice-Captain). They have played an important role in the success of Randpark, and their selfless giving of their time, away from family, is greatly appreciated. We wish them all the best as they get to enjoy the game of golf as Members of the Club.

Honorary Life-Vice President:

The General Committee proposed that Garth Elliott be nominated as Honorary Life Vice-President at the meeting, and I am pleased to announce that the proposal was adopted by Members.

"Garth Elliott has been a member of Randpark Club for just over 31 years. He got involved in various parts of the Club early on, and was nominated to committee in 1995. He took charge of the Scratch League side, and also played a big part in growing the Junior Section at the time. Garth was Club Captain in 1999 and 2000, and was elected President in 2009, becoming the longest serving President at Randpark until he stepped

down in 2019. Garth was instrumental in the changes that Randpark went through this past decade, as the Club not only upgraded both courses and the clubhouse, but also achieved its vision of becoming a family, member-centric Club. Garth served on the various committees and the company's board (as a non-shareholder) collectively for over 25 years."

Congratulations Garth and thank you for all you have done for the Club.

Club Financial Results:

A detailed presentation was shared with members of the Club. The presentation outlined the financial results for FY21, and how the Club managed the impact of the Covid-19 pandemic. Please [click here](#) to open the full Presentation. A summary of each section of the presentation is set out below.

1. Slides 3 and 4 served as a gentle reminder of the challenges the golf industry and Clubs were facing, and how golf as a game was seen as a dying sport.
2. Slides 5 to 7 depicted the budgeting process the Club managed as the pandemic unfolded. The various versions of budgeting during this period painted a grim picture for the Club at the time.
3. Slides 9 to 11 summarised the financial results for year ending 2020. It outlined the factors contributing to the positive result, and highlighted the positive and negative changes for the year.
4. Slides 12 to 15 highlighted the positive change in golf due to the new membership model and the increase in golf rounds played. Some interesting stats were highlighted around rounds of golf played by members during the year, and the overall positive contribution from golf.
5. Slide 16 detailed the F&B income against previous years. The 28 weeks of alcohol ban and restrictions on golf days and events had a significant impact on revenue. F&B still made an operating profit after direct departmental expenses, but a loss after Club allocated expenses.
6. Slide 17 reflected the reduction in expenses against previous years. The two noticeable changes were payroll, due to restructuring and employee

management, and a reduction in electricity costs. Overall expenses reduced by 30% against previous years.

7. Slide 18 to 21 highlighted the management of salary and wages ratios to revenue. This is an ongoing focus point as the Club faces uncertain times ahead, but must also manage returning levels of business and increased rounds, with a reduced staff compliment.

8. Slide 22 to 25 reflected the cash generated for the year, and the motivation for the change in accounting policy was explained, together with the balance sheet.

9. Slide 27 to 30 was a progress report on the current financial year, as at the end of quarter two. Positive changes all round with a significant improvement in the cash position and the net current asset value.

In closing, I would like to thank each and every member for their support over the years and for making this Club great. The Club is currently busy with the process of appointing a new General Manager, and I am pleased to report that we have a few great candidates that have been shortlisted. It was announced at the AGM that Albert Clack will be stepping into an Acting General Manager role until the new manager is appointed. I have all the confidence in the world, not only in Albert, but the management team to look after the Members and the Club. I look forward to hosting Randpark Members at Atlantic Beach. My door will always be open and please feel free to contact me.

Thank you once again for allowing me to be part of this phenomenal Club, and I look forward to seeing everyone soon.

Happy golfing
Francois

We always encourage communication between our members and the Club. If you have any comments or questions, please don't hesitate to either contact our CEO, Francois Swart at ceo@randpark.co.za or our Club Captain,

Extreme 19th – The Toughest Hole on Earth?

We have had another extremely productive week in preparation for the upcoming Joburg Open. We are cleaning up the stumps, and saw dust left behind after the stump grinding.

Tee extensions on the 5th Bushwillow and 6th Firethorn are also complete and need to grow and establish new grass. Paving is progressing well, with the 4th tee walkway on Firethorn completed. Work has begun this week on the paving at the 2nd tee on Bushwillow.

It is also very exciting for the maintenance team when new equipment arrives. We were fortunate to receive two new tee mowing machines last week after an extremely long wait.

Electricity supply problems have been a major concern for Bushwillow, the workshop and compound over the last month, with the falling of the overhead lines running over the 8th dam. This poses a serious problem; without power, we cannot irrigate Bushwillow, and basic workshop repairs become extremely difficult. The staff have also been in darkness many days during the month. City Power is laying a new underground cable around the 8th dam, which should alleviate most of our problems. The contractors on site hope to be finished by the end of today.
