Dear Member,

# The Club

Over the past few weeks, we have been plagued with telephone lines dropping, and you were unable to get through to the Club.

I am happy to report that our IT service provider (YOLO Telecoms), successfully arranged for our numbers to be ported to a new provider, which will provide more stability moving forward.

Please let us know should you experience any difficulty getting through to the Club on the telephone lines.

I am aware that there are many questions about the condition of the greens on Firethorn. Roger and Fanie are working tirelessly with their team to get them back to the standard we are accustomed to at Randpark. A full report will be shared in due course, and we would like to thank our members for your patience and understanding.

Happy golfing,

Albert

## Reflecting on the Joburg Open

The Joburg Open is now something of the past, and in my 14 years in the golf industry, I can honestly say that this was probably the most interesting week I have ever experienced. Be that as it may, we learned a lot from the last week, and we have learned that we can only control the controllable and that you can't fight mother nature. Once again, to all the members, staff, management and committee, we would like to thank each and every one for your support and understanding over the last week.

## League update

The Mid-Am League is done and dusted for the 2021 season. It was a long and tough season with interruptions halfway through the season, but we managed to finish last week Saturday. The results over the weekend were all halved due to the rain and lightning on the courses. Our A-Side had a great season, only losing one game, and securing the A-Division for the 2022 season.

**Final standing in the A-Division**

The B-side had a tough season, playing in the B-Division after winning the C-Division in 2019. Unfortunately, it was not the best of seasons, and they will drop down back to the C-Division for 2022. Hard luck gents, but we will come back fighting in the new year.
