Congratulations to all for a year well done

From the Founder's Desk

Our 2021 academy operations wrapped up last week with an intense and challenging finish to the year. With the incredible amount of rain in Johannesburg lately, and the Omicron variant sending the world and South African sport into a sudden spin, it is amazing that we were able to get everything completed successfully. I have to say a massive thank you to my staff for adapting through all these challenges and getting the job done, as always. Also, many congratulations to all our award winners and academic graduates. It's been an amazing year at BSI, and I couldn't be prouder of the achievements and growth of our students in performance, and as people.

Celebrating Academic Success

Huge congratulations to our PGA Diploma Class of 2021 of Keegan Dix, Armand Muller, Michelle Steyn, Julia Jacobs, Jaguar Mosia, Heinrich Prinsloo, and Mark Fairley for graduating. Their three years have been as challenging, as any of our students have endured before them, and we are very proud of how they have coped and flourished. Special mention to Michelle Steyn, who achieved distinctions in every subject throughout her three years.

Julia Jacobs gave a wonderful valedictory speech on behalf of the graduates.

PGA Diploma Class of 2021

Congratulations also to **Thebe Jacobs**, who graduated through our Greenkeeping Course. He now has a Higher Certificate in Sports Turf Maintenance to go along with the PGA Diploma that he graduated with in 2019. He has already been appointed as Assistant Greenkeeper at Kempton Park GC.

External Tournament Results

Great effort by BSI Academy player Jordan van Niekerk, who just missed out in a playoff on Tuesday, 30 November 2021 in the qualifier for the SA Open Championship, with a score of -2 at Irene CC, alongside BSI alumni, Dayne Moore and Daniel Nduva.

Jordan, we see great gains every cycle in your golf game and know that we will see you on the bigger golfing stage. Keep your head held high and keep the positive attitude!

A family of golfers

Student Spotlight

Our spotlight this week is on a family of avid golfers, who have come through the BSI Academy, and are all now heading into careers within the golfing industry.

Please meet the Jacobs Family: Thebe, Eddie, and Julia, who all started together in our Junior Golf Academy in 2014.

All three of them continued onto and completed our PGA Diploma and Thebe even followed that up by completing our Greenkeeping Course.

Watch their heart-felt story below of how they all came to BSI, their time here, and where they are venturing off to next.

OBC Ubungani U20 Cup

Not just golf

On Saturday, we hosted the inaugural Ubungani Cup at the BSI Football Campus in Modderfontein. The tournament featured Mamelodi Sundowns FC, University of Johannesburg, BSI Football Academy, and a Kappa Invitational team. Well done to all the teams for some excellent football and exciting games, with UJ finishing as eventual winners. Massive thanks to our headline sponsor, OBC Better Butchery – Thola Zonke! Looking forward to seeing you all again next year for a bigger and even better event.
