Dear Member,

## The Club

### SAVE THE DATE

Please diarise the below date for the Club AGM:

Monday, 25th October 2021

Please [click here](#) to view the Annual report, including the Annual Financial Statements for the financial year ending 2021.

We look forward to seeing you there.

## Congratulations

Well done to Johan Bredenkamp, who finished T5th with scores of 65-76 at the Cape Town Junior Open played at Clovelly Country Club yesterday.

Zidaan Jeena and Caleb Hennene both did us proud at the SA Kids U15 Centurion Country Club Junior Open, finishing in 5th and 6th place respectively.

*Zidaan Jeena*

Congratulations to Lesley and Alan Richard for winning the 2021 Mixed Knock-Out against very tough opponents, Ashani and Allister Petersen. Alan Richard finished it off with a cherry on top – a Hole-in-One on the 15th Firethorn.

From the Golf Department

The long-awaited rain finally arrived this weekend. This will definitely make a huge difference over the next couple of weeks on the courses. The fertiliser will start to kick in; the rain will assist to compress the new sand in the bunkers, and also green up some of the areas where our irrigation just can't reach.

It's hard to believe that the year only has a few months left, our leagues are coming to an end, and we know that a lot of our members are looking forward to a well-deserved break in December. We reminded you in last week's newsletter to book your year-end functions, may it be golf, a lunch, a day on the range, we will cater to your needs. Contact Gaby [events@randpark.co.za](mailto:events@randpark.co.za), Leanne [clubevents@randpark.co.za](mailto:clubevents@randpark.co.za), or Tracey [functions@randpark.co.za](mailto:functions@randpark.co.za), or call on 011 215 8600, and they will gladly assist.

### Rule of the Week

With our rainy season kicking off this weekend, casual water will form on the golf courses. Always be careful in the wet areas of the courses, even if you are walking.

Players are allowed to take relief from any casual water on the course, and casual water is any temporary accumulation of water that is not in a penalty area, and is visible before or after the player takes his or her stance. There is no penalty when taking relief from casual water; the player can pick up his ball, identify an area (not closer to the hole) where there is no casual water, and drop without a penalty. If there is casual water in a bunker, the same relief may be taken without a penalty. If the player does drop outside of the bunker, and the whole bunker is not demarcated as GUR, a one shot penalty must apply to the player. Below diagrams will assist to explain the rule (16).

### General playing areas

**DIAGRAM 16.1d: FREE RELIEF FROM ABNORMAL COURSE CONDITION ON PUTTING GREEN**

The diagram assumes the player is left-handed. When a ball is on the putting green and there is interference by an abnormal course condition, free relief may be taken by placing a ball on the spot of the nearest point of complete relief. The nearest point of complete relief must be either on the putting green or in the general area. If there is no such nearest point of complete relief, the player may still take this free relief by using the point of maximum available relief as the reference point, which must be either on the putting green or in the general area.

## Relief when inside a bunker

**DIAGRAM 16.1c: RELIEF FROM ABNORMAL COURSE CONDITION IN BUNKER**

The diagram assumes a right-handed player. When there is interference from an abnormal course condition in a bunker, free relief may be taken in the bunker under Rule 16.1b or relief may be taken outside the bunker for one penalty stroke. Relief outside the bunker is based on a reference line going straight back from the hole through the spot of the original ball in the bunker. The reference point is a point on the course outside the bunker chosen by the player that is on the reference line and is farther from the hole than the original spot (with no limit on how far back on the line). The relief area is one club-length from the reference point, is not nearer to the hole than the reference point, but may be in any area of the course. In choosing this reference point, the player should indicate the point by using an object (such as a tee).

## Handicap Terminal

The handicap terminal is up and running again, and has been moved to downstairs between the ladies and men's locker rooms. All members and guests can now use the terminal to capture their scores after each round.
