The top 2 teams qualified to play in the SA High Schools Championship taking place at Humewood Golf Club on the 1st and 2nd August. Durbanville High School as well as the runner-up, The Golf School of Excellence (TGSE), will represent the Western Province.

Durbanville High School's **Liam Adonis**, spread-eagled the field with an opening nine of 34 – this included 3 birdies and a drop at the par 4 2nd. The runners-up, TGSE, were ably led by Timothy Daniels with a fine gross 72. Romeo le Roux (78), Philco Venter (79) and Ben Booysen, a non counting 82, made up the team.

Although the team event was a comfortable victory for Durbanville there was a titanic battle for positions 3, 4 and 5 – a total of only 4 shots separated them, with Bishops (3rd), Wynberg (4th) and Milnerton (5th).

The players encountered a near flawless day at Bellville Golf Club but the course proved to be a testing layout on the day.

## Masters Finals

It was a lovely sunny afternoon with no wind. You could see a sense of hunger in the eyes of the Durbanville team as they pushed to dethrone the defending champions, King David Mowbray.

From the very first tee shot, there was no guarantee who would reign as champions.

After raking in a few birdies, Donovan Dawson and Herman September came away with a convincing three-point victory over Elais Steenkamp and Andrew Cleophas in match one.

Cameron Johnston/Ricky McCrindle defeated Hugo Calitz/Clive Galliène in match two by a narrow margin of one point.

In the final match, Mark/Nick Tarie were victorious with 4 points over Graham Frazer/Mike Glasby.

This is King David Mowbray's second consecutive Masters Championship League title.

## Enhancing the lives of our future generation

Outdoor putting area opened at Mary Kihn

A wonderful outdoor putting area was opened at Mary Kihn School for Partially Hearing Children on Wednesday.

The putting area will allow the talented golfers within Mary Kihn's First Swing Programme to take their game further than ever as they now don't have to travel to King David Mowbray Golf Club to practice their golf.

Central to the putting area are visuals promoting the values which players must abide by such as honesty, respect and good sportsmanship.

SADGA Chairman Enver Hassen thanked Nomads, Western Province Golf as well as Paintmaster SA and Synsport for their contribution to the First Swing Programme.

*"As the old saying goes, 'Many hands make light work' and this spectacular new putting area is the product of Nomads, Western Province Golf, Paintmaster and Synsport banding together for the benefit of our First Swing Program," said Hassen.*

*"Nomads have been ardent supporters of the SADGA for a number of years and this putting area is the 8th time they have had a hand in a FSP environment in the last 16 years which is nothing short of phenomenal. I'd like to extend a collective thank you for this significant contribution towards the development of the next generation of SADGA talent.*

*A special thank you must also be reserved for Mary Kihn teacher Desiree Smit whose passion for the betterment of her pupils has been integral to the success of the FSP at Mary Kihn.*

*Testament to her commitment is her recent completion of the ADLF Sampler Coaching Course that has considerably deepened her understanding of golf coaching especially as it pertains to deaf golfers.*

*I wish the golfers of Mary Kihn many happy hours on the putting green and look forward to watching them take strides towards fulfilling their tremendous potential," concluded Hassen.*

*Press release done by Craig Stirton*
