The Club

Dear Member,

Seek a workable solution for all

Saturday Morning Bookings

We would like to remind **Premium, Executive and Professional** category members to join Dewald, Rikert and Albert on 25 January at 17h30 in the Jacaranda Room to discuss concerns raised regarding Tee Time bookings for Saturday mornings. We would appreciate it if only the booking administrators of the various schools / 4-balls represent their respective groups, as well as any individual member who would like to contribute.

Tips to help you speed up play

Pace of Play

Currently, the conditions on both courses are very challenging. The amount of rain we've had since the start of the year has made the rough a little bit thicker, less roll on the fairways, and generally the weather (wind) is making scoring difficult. With the courses playing on average 2 strokes more difficult due to all these factors, members are reminded to please ensure we keep a good pace of play to make the round enjoyable for yourself and the other players in the field.

Here are a few tips to help you speed up play:

- Always arrive on time at the tee.
- Play ready golf at all times.
- If you are in doubt if your tee shot is in play, play a provisional ball off the tee box, to avoid going back to the tee if you do lose your first ball.
- Limit your time to search for balls to three minutes, as per the Rules of Golf.
- When in doubt about a rule, play two balls, and get the correct ruling after your round.
- Plan your next shot in advance; read your putt while the other players are busy putting out.
- Go straight to your ball, and play when ready. If a player in your group is looking for a ball, only assist after you have played your shot.
- It is your responsibility to keep up with the group in front of you, and marshals have strict instructions to ensure all players keep up with the pace of play.

In general, we would like to remind all our members to look after the courses:

- Repair your pitch mark. If you can't find your pitch mark, ensure you fix one on the green.
- Please fill your divots with the sandbags provided.
- Bunkers must be raked – this is probably the biggest concern at the moment.
- Please do not litter on the courses.
