Dear Member,

The Club

In an ongoing effort to ensure the Club is getting the best value for money and ensuring our members, visitors and staff's safety, we will be reviewing our access control and security at the Club. We would like to invite any member who has affiliation to a security company to join Albert for a briefing to present a detailed proposal.

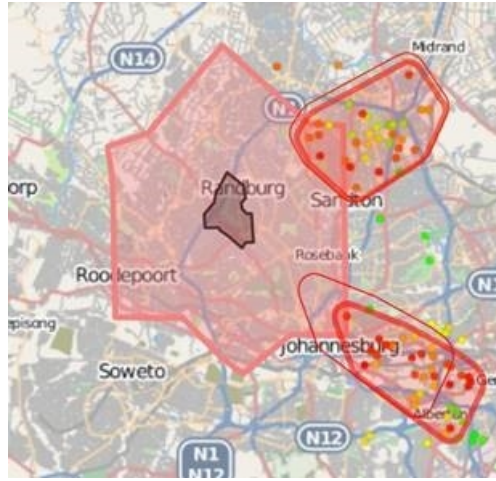

Please send through your contact details to gm@randpark.co.za before COB Friday, 11 March 2022.

The Golfing Front

Yet again, the weather played its part over the weekend. The morning started off a little bit overcast and the weather seemed to be holding up, but mother nature had different plans and for the 4th Saturday this year the field was interrupted by rain and lightning. A few cells kept moving over and play was suspended a couple of times.

We would like to remind our members that in the event that you hear one long siren the competition is immediately suspended and players must stop playing. The manager on duty and available committee member will evaluate the weather to see how long the delay will be. In the event that the delay is too long, like Saturday afternoon, the competition will either be called off or will count over 9-holes if the whole field has turned. Players are reminded not to continue to play in the event of lightning, and may only start play again after two short sirens. Below is an image of our lightning system:

The first cells that came into our 13km radius:

The afternoon competitions were cancelled including the Ladies Beckwith trophy event.

The Mid-Am league waited out the weather to finish their round and the results were as follow:

- Firethorn Mid-Am side vs Eagle Canyon – Firethorn won 4.5 – 3.5
- Bushwillow Mid-Am side vs Jackal Creek – Bushwillow won 7 – 1

Well done Gents!

Driving Range Update

Due to a shortage of driving range balls from our suppliers and delayed shipments, we are currently running on a very low number of balls. We will do our best to ensure we provide balls as best as we can, but from time to time members might be requested to only hit 50 balls at a time. This is to guarantee we assist all players wishing to make use of the driving range. We do apologise for the inconvenience caused.

Golf Results

Thank you to everyone who took part in our competitions this week and congratulations to our winners. Take a look at the latest results.
