Dear Member,

Our financial year-end is upon us, and we would like to thank our members for the loyal support during the past year. We are very privileged to have seen a positive growth this past year in our membership, so much so, that we have had to close many categories due to pressure on our Saturday morning time sheets as members are playing more golf. New members were only allowed to join once a resignation was received in these respective categories.

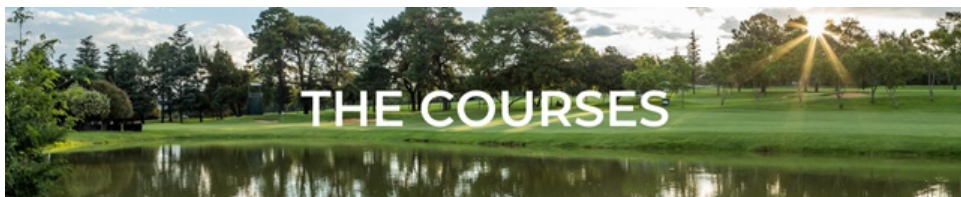

We have sent out all pro-forma invoices to members and would like to remind you that subscriptions are due from the 1st of April 2022. If you have not yet been in touch with Farah or Felicia, then please contact them to ensure that your renewal process is a smooth one.

We would also like to advise our members that the ATM situated just outside the Randpark Pro Shop will be removed within the next two weeks, and to please plan accordingly when coming to the Club. Rikert is looking at a viable solution to facilitate a cashless payment to the Caddies and we will keep you informed accordingly.

Happy golfing,

Albert

We always encourage communication between our members and the club. If you have any comments or questions, please don't hesitate to either contact our General Manager, Albert Clack at gm@randpark.co.za or our Club Captain, Arthur Heinrich at captainslog@randpark.co.za.

Hopefully we have almost seen the end of the rainy season. Morning temperatures are much cooler, and the poplar trees are starting to shed leaves again.

We are struggling with some very wet areas on both courses as the water table is so high. The walkway on the 3rd Bushwillow and the 2nd and 14th holes on Firethorn are the worst areas.

The constant flooding has also caused damage to existing river Gabon structures and created erosion on the riverbanks. We are busy getting the relevant water use license application together and engineering plans to address these problems.

Riverbank erosion on Firethorn 1st hole

On the positive side, it must be the best time of the year to play golf. The weather is beautiful and mild and the courses are still lovely and green.

BOS Round 2

We would like to wish our schools the best of luck for the second round of the Battle of the Schools this coming weekend. We look forward to some great golf and the “Gees” after the round. The following teams will battle it out this weekend:

Round 2 - 26 March - BUSHWILLOW

Legs	vs	Kwaggas	07:50 & 07:58
Mambas	vs	Die Tot Pakkers	08:06 & 08:14
The Rebels	vs	Nags	08:22 & 08:30
Shags	vs	Kianga	11:54 & 12:02
Sads	vs	Snakepit	12:10 & 12:18
AllSorts	vs	LGA	12:26 & 12:34

Mixed Crabs	vs	Cheetahs	12:42 & 12:50
Future Dad Bods	vs	Trojans	12:58 & 13:04

Bag Lockers

All members making use of the bag locker facilities are reminded that renewals are just around the corner. If you are currently making use of a bag locker and wish to renew the usage for the next financial year, please contact Farah at membership@randpark.co.za. We will be giving a week's grace period for the renewals.

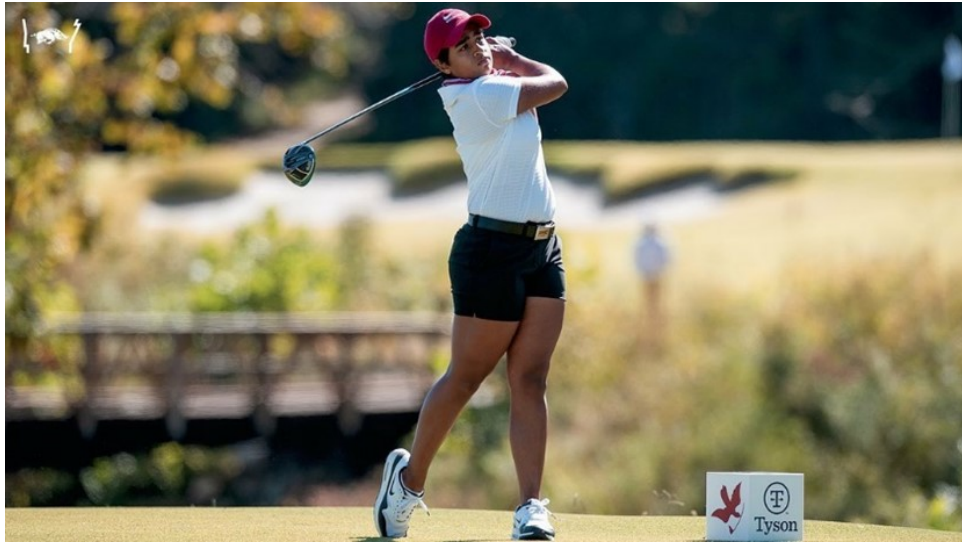

Range Balls

As we communicated a couple of weeks ago there is a major shortage of range balls in South Africa. We have tried with all the suppliers and the estimated time is anything from 8 – 12 weeks before any balls will arrive in South Africa. The team will do their utmost to ensure we assist all the players as best as we can to have balls available. We do apologise for the inconvenience.

Congratulations Kajal Mistry and Danielle Chong!

Kajal won the MountainView Collegiate Individual Medal, the first event win of her collegiate career, carding a career-best 206 (-10) to finish atop the leaderboard in the desert.

Danielle finished second in the C-Division of the 2022 Nomads SA Girls Rose Bowl. This was her national debut at the Lost City Golf Course as one of the youngest competitors - only nine-years old.

Well done to Nico Erasmus who got a Hole-in-One on the 6th hole, Bushwillow!
