Draws, dates and courses

Knock-Outs

The draw for the 2022 Knock-Outs was finalised on Tuesday and is up on the noticeboard downstairs opposite the HNA terminal. The reason the date for the Individual knock-out has been moved one week out was due to the number of entries received and to give the players an extra week to plan accordingly. We apologise for the short notice, but all dates below will remain unchanged for the rest of the year.

We would like to encourage members to try and arrange to play before the dates or on the dates provided below. The Club will make bookings on the scheduled dates for the players but if you do plan to play before the set date, please inform the ladies so that we do not double book you over that weekend. A kind reminder that NO extensions will be granted – No exception. Once again, we would like to remind our members participating of the dates set out for each round and the courses:

Update

7th Green - Firethorn

The recovery of the 7th green is taking longer than expected. The rain (38mm) from last weekend did set us back a bit, but the beautiful sunshine over the last week is definitely helping the process to get the green back to where it was.

The green will still be out of play for the next week and will only re-open on Friday, the 11th of February. The temporary green will still be in play and the two-putt rule will apply once on the temporary green.
