The Club

Dear Member,

As our financial year draws to a close, it is important to contact Tania or Farah at the Club should you need to make any changes to your membership before the 1st of April.

We always encourage communication between our members and the club. If you have any comments or questions please don't hesitate to either contact our General Manager, Albert Clack at gm@randpark.co.za or our Club Captain, Arthur Heinrich at captainslog@randpark.co.za.

Another 18mm fell on Monday night and along with cool day temperatures the courses are still very wet.

We are busy trying to drain some of the worst wet areas on both courses. We are hand-digging a trench on the 3rd hole's walkway on Bushwillow and brought in a TLB to open up the drain on the 14th hole on Firethorn where we discovered a concrete storm water pipe that is blocked. While we had the TLB we cleared our dump area on the 13th on Firethorn and managed to remove the Pampas grass from the river on the 18th on Firethorn. Although the Pampas grass can help to stabilise the river bank it is a category 1 invader plant and needs to be removed.

Unfortunately the Graduate Club Championship C-Division results were not included in Monday's newsletter link. Please [click here](#) for a breakdown of all the results.
