The poster for the 2022 Randpark Club Championships features a dark green header with the Randpark logo on the left. A yellow banner on the right states 'R50 000 worth of Club Champs Prizes to be Won'. To the right of the banner is a circular image of two trophies on a golf course. The main title '2022 Randpark Club Championships' is in large white letters, with the dates '21 & 22 May 2022' below it. The background of the lower section is a blurred image of a golf course.

Here are some Q & As with regards to Club Champs:

Q - Will I be allowed to make use of an outside caddie?

A - No, as per the local rules only local registered caddies will be allowed.

Q - Will I be allowed to make use of a distance-measuring device?

A - Yes, only if the device measures distance.

Q - Am I allowed to make use of a golf cart?

A - Yes, all players (except juniors) will be allowed to make use of a golf cart for day 1.

Players who are seeded in A-Div (top 15) are the only players who will not be allowed the use of a golf cart on day 2.

Q - Will spectators be allowed to walk with me?

A - Yes, friends and family may be allowed on the course, as long as they do not interfere with pace of play, give any advice or any ruling during the round.

Q - What time will prize-giving start after the tournament?

A - Our aim is to start prize-giving as soon as all the results have been confirmed after all scorecards have been submitted. We kindly remind all players to hand in their scorecard immediately after completing your round, please do not shower or have a drink first.

Q - How many prizes can I win?

A - Randpark does have the policy of One "Man" – One Prize. A player may win more than one trophy but the highest prize value will be paid out.

Happy golfing

Albert & Rikert

We always encourage communication between our members and the club. If you have any comments or questions please don't hesitate to either contact our General Manager, Albert Clack at gm@randpark.co.za or our Club Captain, Arthur Heinrich at captainslog@randpark.co.za.

We took delivery of an outreach flail mower this week, a heavy duty mowing/mulching machine, used in very thick rough and slopes, like river banks where lots of debris (stones and bottles) accumulate, that would damage normal mowers. Locally made, the machine is very cost effective to purchase and maintain. The machine is also assisting in cutting down man hours, and the team to be more productive.

The water fountain taps have finally arrived and have been installed on the course.

The chipping green opened last weekend, but being a brand new green that is still soft and with limited growth due to cooler conditions, we have closed the chipping green during the week but will open it again on weekends.

Well Done & Congratulations to Our

Winter is here – It is getting cold in the mornings and evenings. It is always just easier to stay in bed where it is warm and hibernate during the cold parts of the day. In doing so, your golf engine is getting weaker and tighter. Let's get moving. Do not hibernate like everyone else. Be the change that you want.

Get up!

Dress up!

And Show up!

Movement is the greatest form of warmth generation and body/engine maintenance. Winter is the hardest season to get moving and going, because of the mindset all of us have. Our human nature is to stay warm, hibernate because it is nicer and easier. If you do not know what to do, how to move and how to get flexible and strong, Powerblast Training is here to help. You just got to get here. Fight the urges to not do anything. Prioritise your engine - your body. Prioritise your golf - your sport - your life. Prioritise your happy place - your safe haven - your social environment. Let's get moving this winter. You can do this.
