BSI Golf

From the Founder's Desk

Our students had a brief 1-week break in the schedule last week, before the start of a busy final cycle full of exams and tournaments.

During the break I spent a fantastic week at the All Africa Golf Championship in El Gauna, Egypt. El Gauna is a stunning venue on the Red Sea and many friends were made from across the continent and beyond. At 38 degrees every day it was a tad warm too.

Our next Open Day is coming up on **Saturday, 15th October**, where we will be showcasing our popular full-time golf programmes; Junior Academy, PGA Diploma and Greenkeeping. See details on how to register later in this newsletter.

Not Just Golf

Wolves Soccer Camp – Joburg 2022

The week eventually arrived and the hype behind the Wolverhampton Wanderers Football Club and BSI Football's partnership became a reality to the South African Football community as the Wolves Academy coaches took to our fields in Modderfontein and gave some valuable coaching lessons and insights to all the eager young footballers.

The Wolves Academy coaches started with a 3-day training camp, which was open to all players aged 8 to 17. Over 75 players enjoyed this amazing experience and benefitted from the expertise of the coaches and the training methods of the English Premier League academy.

The coaches then spent 3 days exclusively training the BSI Academy players, and diving deeper into their training philosophies. In between, the coaches found time for a Community initiative.

BSI Community Partnership

As part of BSI's community partnership with The Ikusasa Lethu Programme from St Mary's School, we welcomed their learners from Alexander to the BSI Football Campus and provided them with an amazing experience to be coached by the Wolves Academy coaching staff in conjunction with the Wolves Foundation.

We thoroughly enjoyed hosting everyone at our Campus and know that the BSI Football Academy family and the Wolf Pack is growing!

We look forward to next year when we will run with the Wolves again!!
