BSI hosts these events annually throughout the country, and this one was the last for 2022. We are back next year, and we hope to see you at your nearest BSI Srixon Junior Golf Tour event 2023. Watch this space for more details or ask your golf union for more information.

Once again a huge thank you to Srixon Golf SA for their incredible support of these events. They provided almost R15,000 worth of prizes just for this week's event alone. Without this support we wouldn't be able to put on these events. A big thank you also to Golferade for supplying drinks for every competitor in every BSI Srixon Junior Tour event this year.

Final Year PGA Student Spotlight

This week we catch up with Divan Visagie and get to hear a little bit about his BSI experience:

"I love golf and wanted to pursue it as a career, either playing or working in the industry. Me and my dad did some research and came upon BSI.

BSI definitely helped with my goals and ambitions of working in golf. I have learnt a lot from my coaches and even the other students.

Starting the diploma at 17 years old and being the youngest in my year was stressful. I believe being amongst older people helped me grow more mature for my age and also made me more mentally tough.

I have many friends at BSI and we all get along so well, but I would say my most important friendship is Victor. He is also my room-mate – I consider him not a friend, but a brother. I am presently busy with various job applications and interviews."

Not Just Golf

BSI Tennis Academy opening in 2023!

We are delighted to announce that the BSI Tennis Academy will be opening in January 2023. We are offering a full-time high performance junior tennis programme with schooling from grade 7 to 12, based on the best international tennis academies. Enrolment is now open.

Our golf and football academies are rated amongst the best in South Africa, and we will be applying the same philosophies and passion for developing young athletes and quality young people to our tennis academy. As with our other sports, a key focus will be on opening up multiple pathways of success for our students, both locally and internationally through their sports performance and education.

The BSI Tennis Academy will be based at Jeppe Quondam Tennis Club in Bedfordview. Former Wimbledon player Helen Barrett is our Tennis Performance Director, with renowned coach Brandon Ebersey as Head Coach.

For more information on our tennis academy please email
